**To: All Durham Furniture dealers**

At 1:00 pm EST on March 23, 2020 the Premier of Ontario Doug Ford ordered the closure of all non-essential workplaces in Ontario. It is to go into effect no later than Tuesday, March 24 at 11:59 pm EST and will remain at minimum for the next 14 days.

Durham Furniture will be complying with this order that protects our employees and our communities from the spread of COVID-19 for as long as required. Even though our production and office will be closed, we want our Dealers to know that we will be available via email at [customerservice@durhamfurniture.com](mailto:customerservice@durhamfurniture.com) to answer any questions you may have.

For our Dealers who have placed orders that haven't shipped, we will be able to provide an updated available to ship date after we return to full production. If you send completed orders to the customer service email address they will be entered in order of receipt and scheduled when we return from the mandated shut down.

During this unprecedented time, we wish everyone health and safety.

Sincerely,

Luke Simpson  
President & CEO
