To All Durham Furniture Dealers,

Re: Discontinued Product

We have completed a review of the various pieces in our Solid Accents program. Along with a duplication of some beds which are available elsewhere in the Durham line, a few items are not performing well enough to warrant their continuation. Following is a list of the pieces that will be discontinued.

900-104 / 900-114 / 900-024 / 900-044	Traditional panel bed all sizes (same as PB 3204 bed)
900-105 / 900-115 / 900-025 / 900-045	Transitional panel bed all sizes (same as PB 3201 bed)
900-108 / 900-118 / 900-128 / 900-148	Sleigh bed all sizes (same as PB 3000 sleigh bed)
900-122 / 900-142	Upholstered arch top bed all sizes (similar bed in 191)
900-127 / 900-147	Contemporary sleigh bed all sizes
900-129 / 900-149	Master sleigh bed all sizes (similar bed in 112)
900-205B	Transitional open night stand
900-208	Desserte night table

We will be working to add some new, unique pieces to the Solid Accents program through the next several markets.

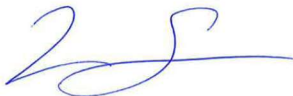

In addition to the above, we are discontinuing the following two finishes:

SKYB – sky blue (Ocean Blue premium finish is a suitable replacement)
TEAL – teal

We will support all orders received for any of the above through to June 1, 2021.

Thank you for your continued support.

Sincerely

Luke Simpson
